

BONE MESA DOMESTIC WATER DISTRICT
P.O. BOX 1462 PAONIA, CO 81428

A regular meeting of the Board of the Bone Mesa Domestic Water District was called to order at the Paonia Town Hall at 7:00 p.m. June 15, 2011 by President, Mark LeValley.
-Eames Petersen was present, establishing a quorum, with Cynthia Wutchiette absent.
-Lisa Cook served as the acting secretary.
-The Minutes of the previous meeting were read and approved. The signed copy went to Viva Kellog, who will deliver it to Cythia.

REPORTS:

-Water Flow Report was given, showing an average of 52% water lost throughout the system. Until all user meters are repaired there is no way to estimate how much of this is related to leaks. Lisa suggested that we repair meters on a single main line before moving on to the next line starting with Line 1 (Stewart Mesa). Mark and Eames agreed and instructed Dave to proceed in this manner.

CURRENT BUSINESS:

- Mark reported that the Town of Paonia did approve the May's Spring Project, so we may proceed.

-

TREASURER'S REPORT:

-No report as treasurer was absent.
-Bills were paid.

PUBLIC COMMENT:

-Melvin Wing asked if all back-flow preventers are in. Mark asked Dave to check all pits and report back on this.

Don Peltier yelled comments regarding water flow to his house and system wide. He announced that he would not be paying the special assessment fee on his bill. Mark confirmed that the flow at his meter has been checked and is fine.

As there was no further business the meeting was adjourned.
